

REMARKS

The foregoing amendments have been made to eliminate multiple dependency and to "Americanize" the claims. The claims designated as "new" find basis in the original claims and page 11 of the application. The apparent incorrect refractive index on page 6 has been corrected in view of the correct values set forth on page 12. No new matter has been introduced by these amendments, and there has been no reduction in claim scope.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

No fee is believed to be due for this submission. Should any fee(s) be required, please charge such fee(s) to Deposit Account No. 50-2215.
